

San Francisco Bay Blues by Jesse Fuller (Eric Clapton version)

I got the Blues when my baby left me by the San Francisco bay,
Big ocean-liner took her so far away.

I didn't mean to treat her so bad,
She was the best girl I ever have had.

She said goodbye, it made me cry, wanna lay down and die.

I ain't got a nickel and I ain't got a lousy dime.
If she don't come back I think I'm gonna loose my mind,
Well if she ever came back to stay,
it's gonna be another brand new day.

Walking with my baby down by the San Francisco bay.

Sittin' down looking from my back door,
wondering which way to go.
Woman I'm so crazy about, She don't love me no more,
Think I'll catch me a freight train, 'cause I'm feelin' blue.
Ride all the way to the end of the line thinking only of you.

Meanwhile living in the city
just about to go insane.

Thought I heard my baby, and the way she used to call my name.
If she ever comes back to stay, it's gonna be another brand new day.
Walking with my baby down by the San Francisco Bay
